Board the Bay Mist owned by Casco Bay Lines to
Peaks Island for a Lobster Bake served by The Lions Club
Entertainment by The Bellamy Jazz Band

Cost ~ see registration info

Welcome aboard the Bay Mist to cruise through deep-water Portland Harbor, with close-up views of the working waterfront, sailboats, sea birds and maybe even a seal. You'll love the views of Portland Head Light, Whitehead Passage, and the forested islands of Casco Bay.

Dock at Peaks Island and take a short walk (approximately one eighth of a mile) to lovely Greenwood Gardens for a remarkable meal of luscious lobster and all the trimmings: steamed clams, drawn butter, clam broth, corn-on-the-cob, coleslaw, boiled potatoes, rolls and butter, coffee, tea, punch and fresh Maine blueberry cake. For those who prefer, chicken, steak or vegetarian dinners are also available. All meals are served buffet-style.

While you're enjoying your lobster, the Bellamy Jazz Band will be playing traditional New Orleans and Chicago Jazz and Swing. A Maine favorite, this eight-piece band has won many popularity awards.
